

WESTERN 4000B HSA

COPAYMENT SUMMARY a uniform health plan benefit and coverage matrix

THIS MATRIX IS INTENDED TO BE USED TO HELP YOU COMPARE COVERAGE BENEFITS AND IS A SUMMARY ONLY. THE EVIDENCE OF COVERAGE/DISCLOSURE FORM AND PLAN CONTRACT SHOULD BE CONSULTED FOR A DETAILED DESCRIPTION OF COVERAGE BENEFITS AND LIMITATIONS.

member responsibility DEDUCTIBLE

- \$4,000* Self-only coverage
- \$4,000* Individual with Family coverage
- \$8,000* Family coverage

The annual deductible is the amount of money a member or family must pay for covered services before WHA will cover those services. After the deductible is met the applicable copayments will apply. The deductible applies to both medical and pharmacy expenses. The deductible does not apply to Preventive Care Services as noted below. The deductible is applied each calendar year. Each Individual with Family coverage must meet the Individual amount before WHA becomes responsible for providing covered services for that individual in the family, unless the family meets the Family amount first. Amounts paid for non-covered services do not count toward a member's deductible.

ANNUAL OUT-OF-POCKET MAXIMUM

- \$6,350 Self-only coverage
- \$6,350 Individual with Family coverage
- \$12,700 Family coverage

The out-of-pocket maximum is the maximum total amount of copayments and deductibles that a member or the family must pay for covered services during any calendar year. Each Individual with Family coverage must meet the Individual amount before you do not have to pay any more copayments or deductibles for that calendar year, unless the family meets the Family amount first. Amounts paid for non-covered services do not count toward a member's out-of-pocket maximum.

- none Lifetime maximum

cost to member SERVICES NOT SUBJECT TO DEDUCTIBLE Preventive Care Services

- none Preventive care services, including laboratory tests, as outlined under the Preventive Services Covered without Cost-Sharing section of the EOC/DF

- Annual physical examinations and well baby care
- Immunizations, adult and pediatric
- Women's preventive services
- Routine prenatal care and lab tests, and first post-natal visit
- Breast, cervical, prostate, colorectal and other generally accepted cancer screenings

Note: Procedures resulting from screenings are not considered preventive care. In order for a service to be considered "preventive," the service must have been provided or ordered by your PCP or OB/GYN, and the primary purpose of the visit must have been to obtain the preventive service. Otherwise, you will be responsible for the cost of the office visit as described in this copayment summary.

- none Vision examination
- none Hearing examination

IMPORTANT: Health savings accounts (HSAs) are complex financial products. This plan is a high-deductible health care plan. While there is no obligation to have an HSA, WHA recommends that you consult your tax or financial advisor to discuss the benefits and determine whether this plan and HSAs are a good choice for you.

MANAGING YOUR HIGH-DEDUCTIBLE PLAN

The deductible and annual out-of-pocket maximum apply only to the covered services described in this Copayment Summary. Copayments and deductibles for any benefits purchased separately as a rider, including but not limited to infertility benefits, do not apply to this deductible or annual out-of-pocket maximum.

When your copayments and deductible payments for the services described in this Copayment Summary have reached the annual out-of-pocket maximum, WHA will automatically provide you a document to show that you do not have to pay any more copayments or deductibles for covered services through the end of the calendar year.

To review amounts applied to your annual deductible and out-of-pocket maximum, simply access your accumulator through MyWHA at westernhealth.com.

If you have any questions about how much has been applied to your deductible or annual out-of-pocket maximum, or whether certain payments you have made apply to the annual out-of-pocket maximum, please call WHA Member Services.
