ADMINISTRATIVE

Listed below are several important points that may answer some questions regarding Trust procedures.

To Submit Add-Ons to Your Group

Employees who have fulfilled your company's waiting period need to submit an Enrollment Application. Applications must be received by the 15th of the month prior to the requested effective date.

Any applications received after the 20th of the month may not be processed prior to the 1st of the month this will delay acceptance to the plan.

Terminating Employees from the Plan

In order to terminate employees, we must receive written notice by the 20th of the month. You can line through the employee's name on the invoice, mail or fax the notification.

Terminations will be effective on the last day of the month in which notice is received. Credit for the terminated employee can be deducted from your premium payment or we will issue you a credit on your next invoice.

Adding Dependents

Dependents can be added under the following circumstances:

- The dependent is a newly acquired spouse or child;
- The dependent is no longer covered under a previous plan;
- At the group's open enrollment.

The employee is to complete a Change Form within 30 days of the occurrence. The change must be received within 30 days of the qualifying event. The change will be made effective the 1st of the month following date of occurrence or the first of the month of open enrollment.

THIS IS A PRE-PAID MEDICAL PLAN

THIS MEANS THAT THE PAYMENT FOR COVERAGE MUST BE PAID IN ADVANCE OF THE EFFECTIVE DATE OF COVERAGE.

Invoice

Your invoice will be mailed during the first week of each month for the following month's coverage.

Payment is **due on the 15th** and delinquent on the 20th. We must close our books no later than the 20th of the month in order to prepare eligibility lists for our carriers before the 25th of each month.

This means that premiums not received by the 20th may result in termination of coverage.

There may be a \$25.00 charge for all returned checks.
